re: 352140 Private McGECHIE I

Dear Sir,
Private McGechie is a volunteer Territorial Soldier
serving with this unit.

He has requested us to confirm that a Territorial Recruits
Basic Corps Course will be held at Papakura Camp 28 Jan to 24 Feb 60.

While it is not compulsory that recruits attend this
course it is desirable that they do.

It would be appreciated, therefore, if Private McGechie
could be released for the period of the course.

EXTRACT FROM BOARD'S RESOLUTIONS OF TUESDAY, 12th. NOVEMBER, 1940.

4. BOARD IN COMMITTEE.

Report of Board in Committee, dated 5.11.1940.

That the report be adopted.
(Extract below).

3. EMPLOYEES SERVING WITH ARMED FORCES -
SUPPLEMENTARY PAY.

Report of Superintendent, 24.10.1940, re Supplementary pay to employees serving with the armed forces, limitation of application of Board's resolution granting leave of absence on pay.

Recommended:-

That the Board's resolution of 19th. September 1939 granting leave of absence to employees serving with the armed forces be limited to those employees who were at that time already in the Board's service.

Auckland Harbour Board.

24th October, 1940.

The Chairman,
A. H. B.

EMPLOYEES SERVING WITH ARMED FORCES. SUPPLEMENTARY PAY.

It is possible the Board may wish to limit the application of the Resolution passed on 19th September 1939 granting leave of absence to employees of over one year's service with the Board who are called upon to perform Military, Naval or Air Service and providing payment of any deficiency between their War Service pay and what they would have received from the Board in their normal occupations.

Employees with considerably less than the qualifying period of service at the time the resolution was passed have subsequently enlisted or been called up after completing twelve months' service and have benefited from the Board's generosity in this regard, whereas men who enlisted without waiting to complete twelve months' service have not done so.

If the War continues for years, the Board might find itself in the position of subsidising the pay of several persons in connection with the same position in its service, and certainly it will be subsidising men who had no connection with the Board or claim upon its generosity at the time the Resolution was passed.

If this is not the Board's intention and if it desires to protect itself against the position outlined, a further resolution placing a limit on the date of enlistment or calling up will require to be passed.

Superintendent.

(2) The Minister so appointed shall, for the purposes of these regulations, be known as the Minister of National Service.

REGULATION 3.—DIRECTOR OF NATIONAL SERVICE.

(1) There shall from time to time be appointed for the purposes of these regulations an officer of the Public Service, to be called the Director of National Service, who shall be subject to the control of the Minister.

(2) On the occurrence from any cause of a vacancy in the office of Director, and in case of the absence from duty of the Director (from whatever cause arising), and so long as the vacancy or absence continues, the powers and functions of the Director may be exercised and performed by any person authorized in that behalf by the Minister.

(3) The fact that any person exercises or performs any power or function of the Director with the concurrence of the Minister shall be conclusive evidence of his authority so to do.

(4) For the purposes of this regulation the powers and functions of the Director shall be deemed to include such of the powers of the Minister as the Director may for the time being be authorized to exercise pursuant to a delegation under the next succeeding regulation.

REGULATION 4.—DELEGATION OF POWERS BY MINISTER AND DIRECTOR.

(1) The Minister or the Director may from time to time, either generally or in respect of any particular area or in respect of any particular class of activity, delegate to any person any of his powers and functions, including the power of delegation conferred by this regulation.

(2) Subject to the next succeeding clause every person to whom any powers or functions are delegated by the Minister or by the Director may, without confirmation by the Minister or the Director, exercise or perform them in the same manner and with the same effect as the Minister or Director could himself have exercised or performed them.

(3) Every such person shall be subject in all things to the control of the Minister and of the Director, and shall act in accordance with all directions, general or special, given to him by the Minister or by the Director.

THE GENERAL RESERVE.

REGULATION 5.—GENERAL RESERVE.

(1) There is hereby established a General Reserve, which shall consist of—

(a) Every person who at the commencement of these regulations has attained the age of sixteen years and is resident in New Zealand:

(b) Every person who attains the age of sixteen years at any time after the commencement of these regulations, being at that time resident in New Zealand:

(3) After any class of male reservists has been enrolled as hereinafter provided, the Minister may from time to time divide that class into such subdivisions as he thinks fit, and every such subdivision shall for the purposes of these regulations be deemed to be a separate class of the Reserve.

REGULATION 6.—ENROLMENT OF THE RESERVE.

At any time and from time to time the Governor-General may, by Proclamation, proclaim and direct the enrolment of any class or classes of the Reserve.

REGULATION 7.—PREPARATION OF REGISTER.

(1) Forthwith after the enrolment of any class or classes of the Reserve has been so proclaimed and directed as aforesaid the Director shall prepare a register of that class or those classes in such manner as the Minister directs.

(2) As soon as practicable after the gazetting of the Proclamation by which the enrolment of any class is so proclaimed and directed the Director shall issue to every person enrolled in that class a certificate of enrolment in such form as the Minister from time to time directs.

(3) The register shall be amended from time to time by correcting errors therein, adding the names of reservists thereto, and striking out the names of all persons who cease to belong to the Reserve or to the class in which they are enrolled, to the intent that the register shall at all times, so far as practicable, be a correct and complete record of all persons who for the time being belong to the class or classes so enrolled.

(4) If the Director is satisfied, whether by the production of a certificate under the hand of an authorized officer or otherwise, that any person enrolled in the Reserve has, whether before or after the commencement of these regulations, volunteered for service outside New Zealand in the armed forces, and that he has not been accepted for service, the Director shall endorse on the register a statement of that fact.

(5) Nothing done under these regulations shall be rendered in any manner invalid or unlawful by reason of any error or defect in the register.

(6) The register shall in all Courts and in all proceedings be sufficient evidence that the persons named therein belong to the class in which they are so enrolled until the contrary is proved.

(7) Any extract certified under the hand of the Director (of whose signature all Courts shall take judicial notice) shall, in all Courts and in all proceedings, be sufficient evidence, in the absence of proof to the contrary, of the contents of the register.

NATIONAL SERVICE OUTSIDE THE ARMED FORCES.

REGULATION 8.—MINISTER MAY DIRECT RESERVISTS TO PERFORM ANY SERVICES.

(1) The Minister may, if it appears to him to be necessary or expedient so to do for securing the public safety, the defence of New Zealand, or the efficient prosecution of any war in which His Majesty may be engaged, or for maintaining supplies and services essential to the life of the community, direct any male or female reservist, or any member of any armed force who is on leave of absence, to perform such services in New Zealand as may be specified in the direction, not being services as a member of any armed force but being services which the reservist is, in the opinion of the Minister, capable of performing.

(2) Any services required by a direction given under this regulation shall be performed upon such terms as to remuneration and conditions of service as may be prescribed by the provisions of any Act, or of any regulations or orders made under any Act, or of any award or industrial agreement, or of any other agreement whatsoever that may be applicable to those services or to similar services.

(3) If no such terms are prescribed as aforesaid in respect of any services to be performed under this regulation or if a dispute arises as to what terms are so prescribed, the services shall be performed upon such terms as may be prescribed by the Minister of Labour.

REGULATION 9.—MINISTER MAY DIRECT EMPLOYEES TO REMAIN IN SPECIFIED INDUSTRIES.

The Minister may, if it appears to him to be necessary or expedient so to do for securing the public safety, the defence of New Zealand, or the efficient prosecution of any war in which His Majesty may be engaged, or for maintaining supplies and services essential to the life of the community, direct that any persons or class of persons who are employed in any specified industry or undertaking (whether pursuant to a direction under the last preceding regulation or otherwise) shall not relinquish employment in that industry or undertaking without first obtaining the consent of the Minister.

REGULATION 10.—ADVISORY BODIES.

(1) For the purpose of assisting the Minister in the exercise of his powers under the last two preceding regulations the Minister may appoint an Advisory Council consisting of such persons as the Minister thinks fit.

(2) The functions of the Advisory Council shall be to advise the Minister as to any matters referred to it by him relating to the administration of these regulations and, if requested by the Minister so to do, to formulate proposals or plans for the utilization of the services of reservists with a view to securing the maximum efficiency.

(3) The Minister may also, if he thinks it expedient so to do, appoint advisory committees and may define their functions.

(4) The Advisory Council and every advisory committee appointed under this regulation shall hold office during the pleasure of the Minister, and shall be subject in all things to the control of the Minister.

REGULATION 11.—APPEALS AGAINST MINISTER'S DIRECTIONS.

(1) Any person affected by any direction given by the Minister under Regulation 8 or Regulation 9 hereof may at any time appeal to the Minister on the ground that by reason of his domestic circumstances or the state of his health or for any other reason compliance by him with the direction would be a cause of undue hardship.

(2) Upon receiving any such appeal the Minister shall cause the circumstances to be fully investigated and he may refer the appeal to an Appeal Board or to the Advisory Council or to any advisory committee appointed as aforesaid for inquiry and report, and if the Minister deems it just and equitable so to do he shall revoke or vary the direction in so far as it affects the appellant or take such other action in relation thereto as he thinks fit.

REGULATION 12.—PERSONS ENGAGED IN ESSENTIAL OCCUPATIONS.

(1) In this regulation the expression "person engaged in an essential occupation" means—

- (a) A man called up for service with any armed force, if an appeal on the ground that by reason of his occupation his calling up is contrary to the public interest has been allowed or adjourned, or if his obligation of service has been suspended by an Appeal Board pending the hearing of an appeal on that ground; or
- (b) A voluntary recruit, if he has been granted leave of absence from his duties as a member of any armed force on the ground that by reason of his occupation his calling up for service is contrary to the public interest;
- (c) A person directed by the Minister to perform any services under Regulation 8 hereof;
- (d) A person directed by the Minister under Regulation 9 hereof not to relinquish employment in any industry or undertaking.

(2) Every person engaged in an essential occupation shall, whenever he ceases to be engaged in that occupation, forthwith by registered letter send notice of that fact and of his residential address to the Director of National Service at Wellington.

(3) Every person engaged in an essential occupation (other than a person engaged in casual employment) shall, whenever he ceases to be employed by any employer, forthwith by registered letter send notice to the Director of that fact and of his residential address, and also of the name, address, and occupation of his new employer (if any).

(4) Every person being the employer (otherwise than by way of casual employment) of a person known by him to be a person engaged in an essential occupation shall forthwith by registered letter send notice to the Director if the person so engaged leaves his employment or otherwise ceases to be engaged in the essential occupation.

(5) Every person engaged in an essential occupation shall, whenever he changes his residential address, forthwith by registered letter send notice to the Director of that fact and of his new residential address.

TRANSFER OF MALE RESERVISTS TO THE ARMED FORCES.

REGULATION 13.—WARRANT FOR CALLING UP RESERVISTS.

At any time and from time to time after the Governor-General has in manner aforesaid proclaimed and directed the enrolment of any class or classes of male reservists, the Minister may, by warrant signed by him, authorize and require the Director to call up from that class or those classes for service with the armed forces, whether in New Zealand or elsewhere, such number of men as the Minister thinks necessary.

REGULATION 14.—SELECTION OF RESERVISTS BY LOT.

(1) In pursuance of every such warrant of the Minister, the Director shall cause the number of men specified in the warrant to be selected by lot from the men whose names appear in the register of the class or classes to which the warrant relates.

(2) The number so authorized to be called up for service may be so selected either at once or by such instalments as the Director thinks necessary.

(3) The selection by lot shall be made by the Director in such manner as the Minister directs. The selection shall take place in the presence of a Stipendiary Magistrate.

(4) A list of the names of the men on whom the lot has fallen (together with their residential addresses and occupations, so far as known), certified by the Director and by the Stipendiary Magistrate, shall be forthwith furnished to the Minister.

REGULATION 15.—LIST TO BE CERTIFIED WHERE WHOLE OR RESIDUE OF ANY CLASS IS REQUIRED.

If at any time the Director certifies to the Minister that the number of men whose names appear in the register of any class or classes of the Reserve is not more than the number of men required to be called up for service from that class or those classes pursuant to any warrant under Regulation 13 hereof, a list of the names of all the men whose names so appear in the register of that class or those classes (together with their residential addresses and occupations, so far as known), certified as correct by the Director and by a Stipendiary Magistrate, shall be furnished to the Minister.

REGULATION 16.—CALLING UP RESERVISTS.

(1) Upon receiving any list certified under either of the last two preceding regulations the Minister shall publish in the *Gazette*, and in such other manner (if any) as he thinks fit, a notice setting forth the names (together with the residential addresses and occupations, so far as known) of the men whose names appear in the list, and declaring that those men are called up for service with the armed forces.

(2) Every such gazetted notice shall be for all purposes conclusive proof that the men so named therein have been lawfully called up for service with the armed forces:

Provided that no man shall be thereby precluded from proving on appeal, in accordance with the provisions herein-after contained, that at the time when he was so called up he was not a member of the Reserve or of any class thereof from which the reservists have been so called up.

(3) The Minister may from time to time, by notice in the *Gazette*, correct any error in any gazetted list of men so called up for service, and the original notice shall thereupon take effect in its amended form as from the date of the first gazetting thereof.

(4) No such notice shall be invalidated by any error in the name, address, or occupation of any man so called up.

(5) In addition to the notice in the *Gazette* published pursuant to the foregoing provisions of this regulation, the Director shall, so far as practicable, give notice to every man called up for service with the armed forces, by registered letter addressed to him at his last known address, that he has been so called up:

Provided that failure to give notice under this clause shall not affect the validity of the calling up of any man, or limit the effect of the notice gazetted pursuant to the foregoing provisions of this regulation.

REGULATION 17.—TRANSFER OF RESERVISTS TO ARMED FORCES.

(1) Every man so called up for service with the armed forces shall, on the day following the gazetting of the notice calling him up, be deemed to be transferred from the Reserve to the Army.

(2) Any member of any armed force may at any time be transferred to any other armed force. This clause shall apply to all members of any armed force, whether they are members thereof by voluntary enlistment or otherwise, and whether they are members of that force at the date of the commencement of these regulations or become members after that date.

(3) Every man who pursuant to this regulation is transferred or deemed to be transferred to any armed force shall remain, until lawfully discharged or transferred therefrom, a member of that force in the same manner to all intents and purposes, subject, however, to the provisions of these regulations, as if he had voluntarily enlisted therein and taken the oath of allegiance.

REGULATION 18.—MILITARY COMMAND OF RESERVISTS CALLED UP.

Every man who is so called up for service with the armed forces shall, at all times thereafter until he has been posted to some unit of a Naval, Military, or Air Force, be under the command of all authorized officers.

REGULATION 19.—NOTICE TO RESERVISTS TO REPORT.

(1) Every man who has been called up for service with the armed forces under these regulations may, in addition to the obligation of obedience to the orders of authorized officers or to other lawful command, be required from time to time by any authorized officer, by notice in the *Gazette*, to report at any time and place; and if he fails duly to present himself at the time and place so notified (or in case of sickness or other unavoidable impediment, then at the same place and as soon as possible after the time so notified) he may be tried and punished for the offence of desertion or of absenting himself without leave, as the case may be:

Provided that sickness or other impediment as aforesaid shall be no defence unless he has given written notice thereof to an authorized officer before or as soon as possible after the time so notified.

(2) In addition to the notice in the *Gazette* published pursuant to the foregoing provisions of this regulation, the authorized officer shall, so far as practicable, give notice to every man required to report, by registered letter addressed to him at his last known address, that he is required so to report:

Provided that failure to give notice under this clause shall not affect the validity of the requirement of any man to report.

REGULATION 20.—DESERTION BY REMAINING IN NEW ZEALAND, OR BY LEAVING NEW ZEALAND.

(1) If a member of any armed force remains in New Zealand after the unit to which he is posted has left New Zealand for service overseas, he shall, unless he proves that he so remained in New Zealand through circumstances over which he had no control or with the leave or by the orders of an officer having command over him or that an appeal against his being called up for service had been duly lodged and had not been determined, be deemed guilty of desertion from that force.

(2) If a member of any armed force leaves New Zealand or does any act with intent to leave New Zealand for any place overseas, except in the course of his service, he shall be deemed guilty of desertion from that force.

(3) Every man who is guilty of deserting from any armed force shall, in addition to his liability under the Army Act or otherwise, be deemed to have committed an offence against these regulations, but he shall not be punished twice for the same offence.

APPEALS.

REGULATION 21.—APPEAL BY RESERVISTS CALLED UP.

(1) Every man so called up for service with the armed forces shall have a right of appeal to an Armed Forces Appeal Board on any of the following grounds:—

- (a) That when so called up he was not a member of the Reserve:
- (b) That when so called up from any class of the Reserve he was a member of some other class the calling up of which had not been authorized by the Minister under these regulations:
- (c) That by reason of his occupation his calling up for service is contrary to the public interest:
- (d) That by reason of his domestic circumstances or for any other reason his calling up for service will be a cause of undue hardship to himself or others:
- (e) That he conscientiously objects to serving with the armed forces.

(2) An Appeal Board shall not allow any appeal on the ground specified in paragraph (c) of the last preceding clause unless the Appeal Board is satisfied that the appellant holds a genuine belief that it is wrong to engage in warfare in any circumstances. Evidence of active and genuine membership of a pacifist religious body may in general be accepted as evidence of the convictions of the appellant, and, in particular, proof that the appellant has for a substantial period preceding the outbreak of the present war with Germany been a member of the Society of Friends or of the Christadelphian Sect, and that he has during that time been continuously and actively associated with the body of which he is a member may be accepted as sufficient evidence on which to allow an appeal.

REGULATION 22.—ARMED FORCES APPEAL BOARDS.

(1) For the purposes of these regulations there shall be established such number of Armed Forces Appeal Boards as the Governor-General from time to time thinks necessary.

(2) Each Appeal Board shall be distinguished by such distinctive name as the Governor-General thinks fit.

(3) Every Appeal Board shall consist of three persons to be appointed by the Governor-General and to hold office during his pleasure.

(4) One member of each Appeal Board shall be appointed by the Governor-General as the Chairman thereof.

(5) Each Appeal Board shall sit at such times and places as may be determined by the Chairman.

(6) No sitting of an Appeal Board shall take place unless all the members of the Board are present, but the decision of a majority of the members shall be the decision of the Board.

REGULATION 23.—DEPUTY MEMBERS OF APPEAL BOARDS.

(1) The Governor-General may from time to time appoint a Deputy Chairman of any Appeal Board and such deputy members thereof as he thinks fit, to hold office during his pleasure.

(2) On the occurrence from any cause of a vacancy in the office of Chairman or member of any Appeal Board, and in the case of the absence of the Chairman or of any member (from whatever cause arising) and so long as the vacancy or absence continues, the powers and functions of the Chairman or member may be exercised and performed by the Deputy Chairman or by a deputy member, as the case may be.

(3) No act done by an Appeal Board sitting with a Deputy Chairman or a deputy member, or done by any such Deputy Chairman or deputy member, shall be questioned on the ground that the occasion for the deputy's acting had not arisen or had ceased.

REGULATION 24.—PROCEDURE OF APPEAL BOARDS.

(1) The procedure of an Appeal Board shall, subject to these regulations, be such as the Board thinks fit.

(2) An Appeal Board may admit and accept such evidence as it thinks fit, whether admissible in a Court of law or not.

Each Appeal Board shall within the scope of its jurisdiction be deemed to be a Commission under the Commissions of Inquiry Act, 1908,* and all the provisions of that Act shall apply accordingly.

REGULATION 26.—NOTICE OF APPEAL.

(1) Every appeal to an Appeal Board shall be instituted by posting to the Chairman of the Board for the district in which the appellant is for the time being resident a registered letter containing a notice of appeal.

(2) Every such notice shall be so posted within ten days after the day of the gazetting of the notice by which the appellant was called up for service.

(3) Every notice of appeal shall state the name, occupation, and postal address of the appellant and the grounds of his appeal, and may, if the appellant thinks fit, be accompanied by any documentary evidence or statement of facts which he desires to bring to the knowledge of the Appeal Board.

REGULATION 27.—HEARING OF APPEAL.

(1) If in any case the Appeal Board is satisfied from any documentary evidence or statement of facts supplied to the Board in manner aforesaid, or as the result of any information otherwise obtained by the Board, that the appeal should be allowed, the Board may allow the appeal without calling on the appellant or hearing evidence.

(2) In all other cases the Chairman of the Board shall, so soon as may be after the receipt by him of the notice of appeal, appoint a time and place for the hearing of the appeal, and shall by post, telegraph, or otherwise give reasonable notice thereof to the appellant by notice addressed to him at the postal address mentioned in his notice of appeal, and the Board shall thereafter proceed to determine the appeal accordingly, whether the appellant appears or not:

Provided that, if the notice of appeal has not been posted within the time limited under Regulation 26 hereof, the Board shall not hear the appeal unless it is satisfied that the notice was posted within one month after the expiry of the time so limited, and that the failure to post the notice within the time so limited was occasioned by mistake or by any other reasonable cause.

(3) The appellant may, on the hearing of his appeal, be represented by a barrister or solicitor or, with the leave of the Appeal Board, by any other person.

* See Reprint of Statutes, Vol. I, page 1036.

(4) On the hearing of appeals the Crown may be represented by any person appointed by the Minister in that behalf either generally or with respect to any class of appeals or with respect to any particular appeal.

(5) The Crown representative at the hearing of an appeal shall have a right to be heard in opposition thereto or in support thereof, to produce evidence, and to cross-examine witnesses.

(6) All appeals shall be heard in public, unless the Appeal Board in any particular case, due regard being had to the interests of the appellant and of all other persons concerned, considers that the hearing or any part thereof should take place in private:

Provided that the Board may deliberate in private as to the determination of the appeal or as to any question arising in the course of the proceedings.

(7) The hearing of an appeal may from time to time be adjourned by the Board to any time or place or *sine die*; but if adjourned *sine die* reasonable notice of the time and place of the continuance thereof shall be given by post, telegraph, or otherwise to the appellant or his representative and to the Crown representative.

REGULATION 28.—DETERMINATION OF APPEAL BOARD.

(1) When the hearing of an appeal has been completed the Appeal Board may reserve its determination, and may thereafter determine the appeal at any time and place, and either publicly or privately, and either with or without previous notice to the appellant or the Crown representative.

(2) The determination of the Board on any appeal shall be in writing signed by the Chairman and at least one other member of the Board, and shall, if the appeal is allowed, set out shortly the grounds on which it was allowed.

(3) The determination so signed shall be transmitted by the Chairman to the Director. The Chairman shall also notify the appellant of the result of the appeal.

(4) Every such determination shall, for the purposes of these regulations, be conclusive as to the facts so found:

Provided that on the application of the Director the Board may, if it has reason to suppose that the determination may have been procured by fraud, or that new and material evidence has been discovered, rehear the appeal, and cancel, vary, or confirm its previous determination.

REGULATION 29.—SUSPENSION OF OBLIGATION OF SERVICE.

The pendency of any such appeal shall in no way suspend the obligation of service and obedience imposed on the appellant by these regulations, except so far as any such suspension may be expressly allowed to the appellant by an Appeal Board.

REGULATION 30.—EFFECT OF ALLOWANCE OF APPEAL.

On the allowance of any such appeal the appellant shall thereupon cease to be a member of the armed forces, and shall (except when the Appeal Board has determined that he was not a member of the Reserve) be deemed to be retransferred to the Reserve, and shall thereafter remain subject to the provisions of these regulations in the same manner in all respects as if he had not yet been called up for service with the armed forces:

Provided that where an appeal is allowed solely on the ground specified in paragraph (c) of clause (1) of Regulation 21 hereof the Director may at any time after the allowance of the appeal by notice given to the appellant again call him up for service with the armed forces if he is satisfied that the appellant has ceased to be engaged in the occupation in which he was engaged on the allowance of his appeal, or that by reason of a change in the conditions or circumstances of his occupation his calling up is no longer contrary to the public interest, and the appellant shall thereupon become a member of the armed force specified in the notice accordingly, and all the provisions of these regulations shall, so far as applicable, apply to him in the same manner as if he had again been duly called up for service by a notice in the *Gazette* under Regulation 16 hereof.

REGULATION 31.—APPEALS BY PERSONS SUFFERING UNDUE HARDSHIP.

(1) Any such appeal may be instituted by any person in respect of any man called up as aforesaid for service with the armed forces (who shall for the purposes of these regulations be deemed to be the appellant) on the ground that the calling up of the appellant will be a cause of undue hardship to that person, or that by reason of the occupation of the appellant his calling up is contrary to the public interest.

(2) With respect to the hearing of any such appeal the provisions of these regulations as to notices to the appellant and as to the right of the appellant to be heard and represented shall apply to the person who institutes the appeal as well as to the appellant.

(3) In the case of any man employed by the Crown the rights conferred by this regulation may be exercised either by the Public Service Commissioner or by the Permanent Head of the Department in which that man is employed.

REGULATION 32.—APPEALS BY THE DIRECTOR.

An appeal may be instituted by the Director in respect of any man called up as aforesaid for service with the armed forces (who shall for the purposes of these regulations be deemed to be the appellant) on the ground that by reason of his occupation the calling up of the appellant is contrary to the public interest.

REGULATION 33.—APPEALS BY TWO OR MORE PERSONS.

The dismissal of an appeal instituted by any person (whether or not he is the appellant himself) shall not preclude an appeal by any other person, whether on the same ground or on any other grounds.

MEDICAL EXAMINATION AND TREATMENT.

REGULATION 34.—NATIONAL MEDICAL COMMITTEE.

In the exercise of his functions under these regulations the Minister of Health shall have regard to the recommendations of the National Medical Committee appointed to advise the Government in relation to medical matters arising out of the present war.

REGULATION 35.—REGIONAL DEPUTIES.

(1) For the purposes of these regulations the Minister of Health may appoint such number of Regional Deputies as he from time to time thinks necessary.

(2) Each Regional Deputy shall be a registered medical practitioner and shall hold office during the pleasure of the Minister of Health.

(2) Each Medical Board shall consist of such number of persons, being two or more, as the Regional Deputy thinks necessary, all of whom shall be registered medical practitioners for the time being approved by the Minister of Health for the purposes of these regulations.

(3) The members of each Medical Board shall be appointed by the Regional Deputy to hold office during his pleasure. The same person may be appointed as a member of two or more Medical Boards.

(4) One member of each Medical Board shall be appointed as the Chairman thereof by the Regional Deputy.

(5) Every Medical Board shall exercise its functions in such localities, or in respect of such recruits or classes of recruits, as the Regional Deputy from time to time directs.

REGULATION 37.—EXAMINATION OF RESERVISTS CALLED UP.

(1) When a reservist has been called up for service with the armed forces he may from time to time be required under Regulation 19 hereof to report for examination or re-examination before a Medical Board.

(2) The examination of a recruit by a Medical Board shall take place in the presence of all the members of the Board.

(3) There shall be in attendance at every examination by a Medical Board an officer of the Army or a warrant officer or non-commissioned officer.

(4) No indication shall in any circumstances be given to the members of the Medical Board as to the name, identity, or residence of the recruit under examination.

(5) The form of report on any such examination shall be filled in by the officer, warrant officer, or non-commissioned officer in attendance as aforesaid at the dictation of the examiners. The report shall be signed by the members of the Medical Board, and all alterations, erasures, or interlineations shall be initialled by one at least of the members, but so that the name, identity, or residence of the recruit is not thereby disclosed to any member of the Board.

(6) If the members of any Medical Board are in doubt or unable to agree as to any question arising in relation to the examination of any recruit or as to their report thereon the question shall be referred to the Regional Deputy, and his decision shall be final.

REGULATION 38.—REPORT OF MEDICAL BOARD.

(1) Every report of a Medical Board shall classify the recruit according to his physical and mental condition in one or other of such grades as are for the time being prescribed by the Minister of Health and shall also give such indication as is for the time being required by the Army Board as to the fitness or unfitness of the recruit for service with the armed forces or any section thereof in New Zealand or in any other part of the world.

(2) The Medical Board may give to a recruit such information as in its discretion it thinks fit with respect to the result of his examination and the nature of the report.

(3) The report of the Medical Board shall be forthwith transmitted to the Army Board. The Army Board may if it thinks fit require the recruit to be re-examined before the same or any other Medical Board.

REGULATION 39.—RESERVISTS MEDICALLY UNFIT.

(1) If the Minister of National Service is satisfied, on the report of any Medical Board, that any reservist is permanently medically unfit for any form of national service (whether in the armed forces or otherwise), the Minister may, if he thinks fit, discharge him from the Reserve.

(2) Every reservist who, without reasonable cause, the proof whereof shall lie on him, fails to submit himself for examination by any Medical Board or by any registered medical practitioner when required so to do by an authorized officer commits an offence against these regulations.

REGULATION 40.—MEDICALLY UNFIT MEMBERS OF THE ARMED FORCES.

(1) If the Adjutant-General is satisfied upon the report of a Medical Board that any man who has been called up for service with the armed forces is permanently medically unfit for any service with the armed forces, whether in New Zealand or elsewhere, the Adjutant-General shall discharge him from the armed forces, and he shall thereupon be deemed to be retransferred to the Reserve.

(2) If the Adjutant-General is satisfied upon the report of a Medical Board that any man who has been called up for service with the armed forces is permanently unfit for active service outside New Zealand but is fit for service with the armed forces in New Zealand, the Adjutant-General shall exempt him from overseas service, in which case he shall remain a member of the armed forces liable for service in New Zealand in such capacity as the Adjutant-General from time to time thinks fit.

(3) No member of the Second New Zealand Expeditionary Force, whether he has been called up for service or is a voluntary recruit, shall at any time be discharged therefrom in New Zealand as medically unfit except pursuant to this regulation.

(4) This regulation shall come into force on the date of the gazetting of the first notice under Regulation 16 hereof calling up men for service with the armed forces.

REGULATION 41.—MEDICAL TREATMENT OF MEMBERS OF ARMED FORCES.

(1) Every member of any armed force shall be guilty of an offence punishable as if it were an offence against Article 1417 of the King's Regulations and Admiralty Instructions, section 18 of the Army Act, or section 18 of the Air Force Act (Imperial), as the case may require, who, whether in New Zealand or elsewhere,—

- (a) Refuses to allow himself to be vaccinated or inoculated for the purpose of rendering him immune from any disease or fit for service with that force on being required so to do by any officer having authority over him; or
- (b) Refuses to submit himself to treatment by a medical or dental practitioner on being required so to do by any officer having authority over him, if that treatment is deemed necessary for the purpose of rendering him fit for service with that force.

(2) It shall be lawful for any medical practitioner authorized in that behalf by the Officer Commanding any armed force or any unit of an armed force, whether in New Zealand or elsewhere, to vaccinate or inoculate any member of any armed force, whether with or without the consent of that member, for the purpose of rendering him immune from any disease or fit for service with that force.

(3) This regulation shall apply to all members of any armed force, whether they are members thereof by voluntary enlistment or otherwise, and whether they are members of that force at the date of the commencement of these regulations or become members after that date.

LOCAL SUBDIVISIONS OF THE RESERVE.

REGULATION 42.—DISTRICT REGISTERS OF THE RESERVE.

(1) In addition to a general register of the whole of a class of the Reserve, subdivisional registers (hereinafter referred to as district registers) may be prepared in accordance with this regulation.

(2) The Minister may at any time, by order signed by him, divide New Zealand into such areas (hereinafter referred to as recruiting districts) as he thinks fit, and may from time to time revoke or vary any such order.

(3) While any such order remains in force the register of any class of the Reserve shall be divided into as many district registers as there are recruiting districts; and the Director shall enter on each district register the names of those members of the class who, to the best of his knowledge or belief, are resident in the recruiting district to which the district register relates at the date of the constitution of that district, or at any later date at which they first become members of that class.

(4) No man who has been enrolled on any district register shall thereafter be transferred to any other district register because of any change in his residence after such enrolment.

(5) All the provisions of these regulations as to a register of an entire class of the Reserve shall, so far as applicable, apply equally to each district register.

(6) The district registers may be amended from time to time by the Director for the purpose of correcting errors as to the residence of reservists, and reservists may be transferred from one district register to another accordingly; but no such error shall invalidate any entry on a district register, or confer upon any man called up for service in any armed force any right of appeal to an Appeal Board.

(7) So long as any such order establishing recruiting districts remains in force the Minister, in any warrant issued by him for the calling up of men from the Reserve for service in the armed forces, shall specify the recruiting district or districts from which they are to be so called, and the number to be so called from each district so specified. In exercise of the powers conferred by this regulation the Minister may authorize the calling up of men from any one or more recruiting districts to the exclusion of the others.

(8) On the issue of any such warrant in respect of any recruiting district the number of men therein specified in respect of that district shall be selected under Regulation 14 or Regulation 15 hereof from the men enrolled in the register of that district, and all the provisions of these regulations

shall apply in the same manner in all respects as if the selection had been made from an undivided register of the entire class of the Reserve.

APPLICATION FOR ENROLMENT IN THE RESERVE.

REGULATION 43.—APPLICATION TO BE MADE FOR ENROLMENT.

(1) When the enrolment of any class of the Reserve has been proclaimed and directed by a Proclamation gazetted as aforesaid every reservist who belongs to that class (unless he has, within the period of twenty-eight days after the gazetting of the Proclamation, received from the Director a certificate of his enrolment in that class) shall forthwith after the expiry of that period (or in the case of sickness, absence from New Zealand, or other unavoidable impediment, so soon as possible thereafter) make application in writing for enrolment in that class of the Reserve.

(2) Every man who at any time after the enrolment of any class of the Reserve has been proclaimed and directed as aforesaid becomes a member of that class (whether by attaining a particular age, or by becoming resident in New Zealand, or in any other manner), unless he has, within the period of twenty-eight days after so becoming a member thereof, received from the Director a certificate of his enrolment in that class, shall forthwith after the expiry of that period (or in the case of sickness, absence from New Zealand, or other unavoidable impediment, so soon as possible thereafter) make application in writing for enrolment in that class of the Reserve.

(3) Every application made under this regulation shall state the name, residential address, occupation, and date of birth of the applicant, together with such further particulars as may be required by the Minister or specified in any form provided by the Minister for the purposes of this regulation.

(4) Every such application shall be made by posting it by registered letter addressed to the Director of National Service at Wellington.

(5) Every man who, being required to make application in accordance with this regulation, fails to make application accordingly commits an offence against this regulation.

(6) In any proceedings for an offence against this regulation the burden of proving that the reservist has received a certificate of enrolment shall be on the defendant.

REGULATION 44.—MEN FAILING TO APPLY FOR ENROLMENT MAY BE CALLED UP FOR SERVICE.

(1) If any man is convicted of an offence against the last preceding regulation the Director may, by notice given to him, call him up for service with any armed force, and he shall thereupon become a member of that force, and all the provisions of these regulations shall, so far as applicable, apply to him in the same manner as if he had been duly called up for service by a notice in the *Gazette* under Regulation 16 hereof.

(2) Any man so convicted and called up while undergoing imprisonment, whether in default of payment of a fine or otherwise, shall be released on the warrant of an authorized officer; but if he is subsequently discharged from the armed forces because medically unfit for service or because of the allowance of an appeal by an Appeal Board, he shall, on the warrant of an authorized officer, be returned to the custody from which he was so released, and shall complete the term of imprisonment in the same manner as if he had not been released, but the period during which he has been at large shall be computed as part of that term.

(3) Service with the armed forces for three months continuously shall constitute a pardon for any offence committed against the last preceding regulation.

VOLUNTARY ENLISTMENT.

REGULATION 45.—POWER TO SUSPEND VOLUNTARY ENLISTMENT.

(1) The Governor-General may from time to time, by Proclamation approved in the Executive Council, proclaim that the voluntary enlistment of reservists, or of any class of reservists, for service outside New Zealand with the armed forces, or with any armed force, shall on a day to be specified in the Proclamation, cease either throughout New Zealand or in any recruiting district or districts specified in the Proclamation. Any such Proclamation may be at any time in like manner revoked.

(2) After the day so specified in such a Proclamation made with respect to the whole of New Zealand, and while the Proclamation remains in force, no reservist to whom the Proclamation applies shall be enlisted in any armed force to which the Proclamation applies otherwise than by calling up for service under the provisions of these regulations.

(3) After the day so specified in such a Proclamation made with respect to any recruiting district, and while the Proclamation remains in force, no reservist who is enrolled as a resident in that district and belongs to any class to which the Proclamation applies shall be enlisted in any armed force to which the Proclamation applies otherwise than by calling up under the provisions of these regulations.

(4) Officers of any armed force may be appointed in the same manner as if no such Proclamation had been made.

(5) No enlistment shall be invalid because made in breach of this regulation.

(6) Except as provided in this regulation, nothing in these regulations shall preclude the voluntary enlistment of members of any armed force.

MISCELLANEOUS.

REGULATION 46.—EMPLOYERS NOT TO DISMISS RECRUITS BEFORE THEY COMMENCE SERVICE WITH THE ARMED FORCES.

Except with the precedent consent of the Minister, no employer shall, by reason of the fact that any person has voluntarily enlisted in any armed force or has been called

up for service with the armed forces, dismiss that person from his employment at any time before that person commences his duties with the armed forces.

REGULATION 47.—EMPLOYERS NOT TO EMPLOY RESERVISTS UNLESS ENROLLED.

Every person who at any time after the enrolment of any class of the Reserve has been proclaimed and directed employs or retains in his service for more than seven days any man who belongs to that class and who, being required under these regulations to apply for enrolment therein, has not so applied shall be guilty of an offence against these regulations, unless he proves that he believed on reasonable grounds that the man so employed or retained in his service did not belong to that class or was enrolled therein.

REGULATION 48.—EMPLOYERS NOT TO EMPLOY DESERTERS.

Every person who employs or retains in his service any man who has deserted or is absent without leave from any armed force shall be guilty of an offence against these regulations, unless he proves that he did not know and had no reason to suspect that the man so employed or retained in his service was a deserter or absent without leave.

REGULATION 49.—ENROLLED RESERVISTS TO NOTIFY CHANGES OF ADDRESS, ETC.

(1) Every man who after being enrolled in the Reserve changes his residential address shall within seven days thereafter give notice of that fact and of his new residential address by registered letter addressed to the Director of National Service at Wellington.

(2) Every man enrolled in the Reserve who, before his enrolment and whether before or after the commencement of these regulations, changes or has since the 1st day of May, 1940, changed his residential address, shall within seven days after the commencement of these regulations or after that change of address (whichever is the later) give notice of the fact of the change and of his new residential address by registered letter addressed to the Director.

REGULATION 50.—POWER OF POLICE TO QUESTION RESERVISTS.

(1) After the enrolment of any class of the Reserve has been proclaimed and directed, any constable may question any man who may reasonably be supposed to belong to that class as to all or any of the following matters—namely, his name, occupation, and residential address, the date and place of his birth, his enrolment in the Reserve, and any other matters relevant to the question of his membership of the Reserve or of any class thereof, or his membership of any armed force.

(2) Any man who fails or refuses forthwith to answer any question so put to him, or who answers any such question in a false or wilfully misleading manner commits an offence against this regulation.

(3) Any man reasonably suspected of any offence against this regulation may be arrested without warrant by any constable.

REGULATION 51.—OBLIGATION TO GIVE INFORMATION FOR PURPOSES OF THESE REGULATIONS.

After the enrolment of any class of the Reserve has been proclaimed and directed, no person having in his possession any information which relates to the name, occupation, age, residential address, nationality, or domestic circumstances of any man who belongs or may reasonably be supposed to belong to that class, or which may be of use in enabling any such man to be found, or which is in any other manner relevant to the purposes of these regulations, shall withhold such information from the Director, or from any constable, or officer of the armed forces, on being required to disclose it.

REGULATION 52.—NOTICES.

(1) The Minister, the Director, or any authorized officer may give notice in the *Gazette* of the exercise of any of his powers under these regulations or of any direction given by him under these regulations, and all persons shall be bound thereby.

(2) The Minister, the Director, or any authorized officer may, without any notice in the *Gazette*, give notice to any person of any direction given by him under these regulations, and every person to whom the notice is given shall be bound thereby.

(3) Except where otherwise specially provided, any notice required to be given to any person for the purposes of these regulations may be given by causing it to be delivered to that person, or to be left at his usual or last known place of abode or business or at the address specified by him in any application, notice, or other document received from him by the Minister or by the Director, or to be posted in a letter addressed to him at that place of abode or business or at that address.

(4) If any such notice is sent to any person by registered letter it shall be deemed to have been delivered to him when it would have been delivered in the ordinary course of post, and in proving the delivery it shall be sufficient to prove that the letter was properly addressed and posted.

(5) Every notice under these regulations shall take effect when it is published or given, or at such later time as may be specified in that behalf in the notice.

(6) Any notice given under these regulations may be at any time varied or revoked by a subsequent notice.

REGULATION 53.—OBLIGATION TO PUBLISH OR EXHIBIT NATIONAL SERVICE NOTICES.

(b) Copies delivered by post or otherwise upon any such premises shall be deemed to have been supplied to the owner or occupier of those premises within the meaning of this regulation.

(c) It shall be the duty of every person to whom such copies have been so supplied forthwith to exhibit them in a conspicuous place and manner upon the premises so owned or occupied by him, and to conform to such directions as may be given or caused to be given to him by the Minister as to the place and manner of such exhibition, and to keep all such copies so exhibited for a period of one month or for such longer period as may be required by the Minister.

(8) Every person who without lawful authority destroys, defaces, obscures, removes, or otherwise interferes with any national service notice exhibited in pursuance of this regulation commits an offence against these regulations.

REGULATION 54.—PUBLICATION OF NAMES OF MEN DISCHARGED OR EXEMPTED FROM OVERSEAS SERVICE.

(1) Whenever, by reason of the allowance of an appeal by an Appeal Board or by reason of medical unfitness or on any other ground whatsoever, a man has been discharged from the armed forces or exempted from overseas service, at any time before he has served with the armed forces outside New Zealand, his name, occupation, and residential address shall be forthwith published in the *Gazette*, together with a statement of the ground on which he has been so discharged or exempted.

Dear Sir,

RE SAPPER N. SEAGER - NO.1/27/335.

When employees of the Auckland Harbour Board are mobilised for Military Service, the Board subsidises their pay so that they receive the same amount as they would have received in their normal occupation.

This subsidy is not payable to employees who are called into camp for Territorial Training only, such as the first three months Territorial Camp and subsequent two months collective training camps. On mobilisation, however, the pay of employees is subsidised.

Sapper N. Seager, No.1/27/335 of your Company, went into camp at Avondale on 1st. October 1941 for the usual three months Territorial Training and he informs me that under ordinary circumstances he would have been released from such training on or about 24th. December 1941, but owing to the declaration of war on Japan he is now mobilised as from that date for an indefinite period.

I would be obliged if you could verify this latter statement from his file and advise me on what date his mobilisation took effect, as without evidence regarding this matter no subsidy will be paid and Seager will suffer personal loss.

Yours faithfully,

SUPERINTENDENT & ENGINEER.

Dear Sir,

CHARLES ROBINSON.

Your letter N.A.13/15/3 dated 18th instant, in reply to mine of 6th idem, regarding the above man, has been received.

Robinson informed me about three weeks ago that he had been in the Royal Navy during the last war and came to New Zealand in a Naval mine-sweeper in 1920, being discharged in Auckland. He has worked on the Auckland Harbour Board's Dredge "Hapai" almost continuously since that time.

I have seen a memorandum from H.M. Naval Base, Auckland, signed, I think, by Commander Ellwerthy, instructing him to report for duty as an A.B. at the above Base on 23rd instant.

I trust these further particulars will enable you to supply the information requested in my letter of 6th instant.

Dear Sir,

CHARLES ROBINSON.

The Auckland Harbour Board is paying its employees, who are on leave for the purpose of enlistment in the Armed Forces, an amount equal to any deficiency which may exist between their war service pay and what they would have received from the Board in their normal occupations.

The above named man, who is at present an employee of the Auckland Harbour Board, has informed me that he has been accepted for service in the Navy as an A.B. and is being called up on 23rd instant.

Would it be convenient to let me have information regarding the pay and allowances, including deferred pay if any, he will receive in the Navy, so that a correct assessment of the amount of wages payable by my Board may be made.

Yours faithfully,

The Director,

WELLINGTON. C.I.

Dear Sir,

B.R. 3/5/5.

Enquiry was made by our Engineer's Department concerning rates of pay to men on Service. Your reply of 30th ultimo suggests

- (a) that as a condition of the financial assistance to be rendered by the Board, the employees should keep us fully posted;
- (b) that any verification required should be obtained from the Company Commander.

Regarding (a), we have already obtained the undertaking of the employees to advise us of changes of pay from time to time. There is, however, breach of faith in some cases, resulting in over-payment by the Board.

As to (b), if the information we have is correct, the Company Commander is not in a position to certify beyond the amount actually paid in cash to the members of the Forces. For the purpose of a comprehensive certificate he would not have adequate information. Seemingly Base Records is the place to which we must refer for proper detail of pay and allowances.

We have no wish to restrict the assistance being rendered to the Staff, but if we in turn cannot get the assistance necessary for correct accounting, the whole matter must be reviewed.

Will you please reconsider the matter in order that we may know whether we may count upon assistance from the Military Authorities in obtaining the essential particulars to permit of our continuing to establish credits in favour of the employees on Service.

Yours faithfully,

The Chief Clerk,
Auckland Harbour Board,
P.O. Box No. 1259,
AUCKLAND, C.I.

Dear Sir,

I have received your letter of the 26th. instant asking to be furnished with certain particulars relating to military pay and allowances in respect of two former members of your staff. It is regretted, however, that Base Records is not in a position to supply the details required.

You will probably appreciate that numerous enquiries for similar details are continually being received here from employers who are in the same position as the Auckland Harbour Board and to keep all these advised regarding the military pay etc. of members of their staffs, would involve the setting up of a special organization to handle the matter.

In this connection, it is suggested that it would be a simple matter for employers who subsidise the military pay of their staffs to make it a condition of their assistance that they should be kept fully posted by their employees regarding military pay and allowances. If verification of the soldier's statement regarding his rate of pay, rank, etc. is required, the employer should communicate direct with the soldier and instruct him to obtain an appropriate certificate from his Company Commander.

Yours faithfully,

A. S. Wogan
Director.

The Director,
Base Records,
N.Z. Military Forces,
Private Bag,
WELLINGTON.

Dear Sir,

The Auckland Harbour Board is paying its employees, who are on leave for the purpose of enlistment in the military forces, an amount equal to any deficiency which may exist between their war service pay and what they would have received from the Board in their normal occupations.

As increased rates of pay operate while men are serving overseas, I should be glad if you would inform me of the date on which the increased rates operated in the case of the following men in order that the amounts payable by the Board may be correctly computed:-

Armiger - John Spickernell
Clarke - Gordon Leonard

Both of these men originally joined the military forces as privates in the Army Service Corps, and were I think at Narrow Neck Camp in Auckland, but I am now informed that they both left New Zealand in the second Echelon.

If either of these men have received promotion and consequent increase in pay, I should be glad of particulars of this also.

Yours Truly,

CHIEF CLERK

FOREMAN OF WORKS

9th February 1940.

Mr. Ronald Richard Olney, (Regd. No. 7061.)
27th Machine Gun Battalion,
1st Echelon,
N.Z.E.F.
WELLINGTON. C.I.

Dear Sir,

The Board decided to assist its employees who enlisted or were called up, by supplementing their military pay to the extent of the difference between that amount and the amount of the wages in their normal employment with the Board.

At the time of your enlistment you were receiving military pay 7/- per day and allowances, and you undertook to inform us of any increase from time to time. Your pay was increased on 3rd October 1939 and again on 5th January 1940, but you have made no communication to the Board regarding the matter.

In good faith we have continued the supplementary payments of £1-5-3d per week, the result being that to 2nd February 1940 we have overpaid £11-11-1. As the present supplementary allowance by the Board is merely 3/1d per week it is not practicable to allow the overpayment to be recoverable from that source, seeing that it would take eighteen months to overtake the arrears.

I have therefore to request that you arrange for present refund of the amount overpaid.

Yours faithfully,

N.B.

When the above overpayment is repaid he still has to repay the overpayment made on account of being paid 2 weeks in lieu of annual leave. i.e. a total on this latter account of £2/10/6.

Treasurer and Accountant.

CFG/BJ

9th February 1940.

R.R. OLNEY - MILITARY PAY

Mrs. Olney having conversed with Mr. Taylor, Engineer's Department, regarding the over-payment of £11-11-1d by the Board in respect of the difference between the Board's wages and the military service pay to 2nd February 1940, Mrs. Olney conversed with me on the matter.

Her allotment is £6-13-0 per fortnight. To date she has received only one payment since Mr. Olney embarked on 5th January. The delay may be due to her having been temporarily resident in Christchurch; the alteration to Auckland may not have been completed in the Headquarter's records.

There are two children, one of which is an adopted child (not with legal formality). Mr. Olney was so keen to get away with the forces that in his enlistment papers he recorded only one child dependent upon him, fearing that he would otherwise be turned down as a "married man with two children".

Out of the allowance of £6-13-0 Mrs. Olney pays £3 for rent leaving £1-16-6d per week for all other purposes. In addition to this she has of course had the Board's allowance of £1-5-3d per week. I enquired as to the reserve moneys - Savings Bank or other. Mrs. Olney replied that she had had to use these moneys while awaiting remittance.

She is expecting moneys from the Army Headquarters and offered £1-1-0 per fortnight in refund of the over-payment. She will write to the Headquarters to see about payment of moneys now due, and as to whether the allotment can be increased.

The refund as above, £1-1-0 per fortnight, plus present supplementary payment by the Board 6/2d (3/1d per week) should overtake the item £11-11- in 17 weeks.

At the end of that period the 3/1d should cease on the assumption that Mr. Olney will in all probability have been given Sergeant's rank *or higher*.

The Quartermaster General,
N.Z. Military Headquarters,
WELLINGTON.

Dear Sir,

The Auckland Harbour Board is paying its employees who are on leave for the purpose of enlistment in the army, an amount equal to any deficiency which may exist between their war service pay and what they would have received from the Board in their normal occupations.

It has been announced in the press that new rates of pay will operate while men are serving overseas, and I should be glad if you would give me the date from which the increased rates will operate in the case of the following men in order that the amounts payable by the Board may be correctly computed:-

| | | | |
|--------|-----------------|---|--|
| Olney, | Ronald Richard. | - | Machine Gun Battalion, 1st. Echelon. (Trained at Burnham Camp). |
| Smith, | James. | - | Field Park Company, 1st. Echelon. (Trained at Ngaruawahia Camp). |

These are the only employees in my Department who are known to be in the 1st. Echelon, but possibly the under-mentioned are also serving therein, and if so, I would be glad of similar advice concerning their pay also:-

| | | | |
|----------|-------------------|---|---------------------|
| Armiger, | John Spickernell. | - | Army Service Corps. |
| Clarke, | Gordon Leonard. | - | " " " |

If any of these men are being paid more than the privates' rate of 7/- per day with the usual extras for their dependents, I should be glad if you could let me know the rates and from what date they were paid.

If required, the information supplied by you will be treated as strictly confidential.

Yours truly,

SUPERINTENDENT & ENGINEER.

Hobsonville Air Base

Jan 31st. 1940

Mr. Taylor,

Engineers Office A.H.B.

Dear Sir,

I am writing in reply
to your two letters which I have
received recently

With reference to the social
security tax we had made enquires
previously (producing the cutting from
newspaper) but had been informed
from headquarters, that we were to
pay the tax without them giving us
any apparent reason

I was transferred from the
Otago Technical Training School
on Jan 24th to Hobsonville Base

And since that date have been receiving
\$2-10-0 weekly less the tax. We have
just completed our Board of Trade
tests and it will ^{be} some time yet before
we are given our ranks which depend
on the results of these tests. We will
not be receiving any increase in pay
until these ranks are known.

I must apologise for not informing
you earlier but have been unable to do so
as we had not received our first pay
since transfer, until today.

We have had a good time so far,
especially now as our study for the
tests is over, but unfortunately we are
in for more in a few months time.

I will call down at the next
opportunity, Thanking you
I am, Yours truly
R. M. Gallwey

This period expired on 21st. January 1940, and I will be pleased if you will notify me as early as possible if the amounts stated in the abovementioned form as receivable by you have been or will be varied after the expiry of the above twelve weeks period.

Hoping you are keeping well and fit and finding your new work interesting and congenial,

Yours truly,
